02/03/2020	•	<b>DOCKET TEXT ORDER</b> (no separate order issued:) The only objection filed to the Restructuring Support Agreement with Consenting Noteholders and Shareholder Proponents (Dkt. No. 5519) has been filed by William B. Abrams. The court will permit Mr. Abrams fifteen minutes to present his argument in support of his objection first. Debtors and the Shareholder Proponents will then have twenty minutes to argue in support of the motion, to be shared by counsel. Reservations of rights have been filed by certain other parties; the court does not intend to hear from at this hearing. It will discuss the timing of entry of an order on the PostPetition Interest issue during the plan status conference to follow. The courtroom deputy advises that Mr. Abrams would like time shortened to February 11, at 10 AM for consideration of his Amended and Renewed Objection For Reconsideration of the TCC and Subrogation RSA Orders (Dkt. No. 5533). At the hearing counsel for the Debtors, the TCC and the Subrogation Group should advise the court of their responses to that request. (Montali, Dennis) (Entered: 02/03/2020)
